

LIVING CREATION
An Aramaic Dance Workshop
Unitarian Universalist Fellowship
2701 Heyward St., Columbia, SC

SATURDAY, FEBRUARY 6, 2010

1:00-4:15 p.m.

Presented by
Anne Bosch and
Amina Linda McMakin

During this workshop we will focus on the prayers and sayings of Yeshua (Jesus) in his original Aramaic language.

You are invited to experience a journey of the heart through Yeshua's original prayer tradition of living creation, a tradition that reminds us that new beginnings happen every moment in the heart of the Divine.

Combining chant, movement and silence, a selection of Dances will be offered drawn from the Aramaic translations of author and scholar, Dr. Neil Douglas-Klotz, including lines from the Aramaic Lord's Prayer, Beatitudes, "I Am" sayings of Jesus, and other related dances.
