Contact: Rahima Pat Thoman-Burton, 678-378-5658, patthoman@aol.com

Wind Song Retreat Center is located fifty miles west of Atlanta on 45 wooded acres with several beautiful streams, a Barn Bunkhouse, camping sites, a River Pavilion, a kiva cave for meditation and chanting, and nature trails.

The retreat process will focus on identifying the blocks that prevent the healing of our bodies, hearts, and souls (and Mother Earth). The natural state of all beings is balance, prosperity, and real joy. The techniques of healing will be fire ceremony, Dances of Universal Peace, walks in nature, story-telling, and chanting holy phrases. Other practices may be included based on the needs of the participants.

The retreat guides will include Subhan Jim Burton, Ph.D., Hayya Nancy Burton, Ed.S., Muhasaba Molly Wender, and Zahir Buck Avant. Subhan has served as a retreat guide for more than thirty years. Hayya is an early childhood teacher. Muhasaba is a Sufi Order Representative, Healing Conductor, and is currently taking Retreat Guide Training. Zahir is a Healing Conductor and has served as a retreat guide for 15 years. Subhan and Hayya have studied with Pir Vilayat Inayat Khan and Murshida Vera Corda. Subhan has also studied with Aziza Scott and Murshid Shahabuddin David Less.
